

Week 10: Acts 15:22-35
Preaching Grace and Freedom

BIG IDEA:

Love one another and adjust your lives to make space for one another – just as the Gospel welcomes us in, so should we welcome those around us as well.

DISCUSSION QUESTIONS:

Who do you naturally have an affinity with and why?

Who do you naturally disagree with, and why?

How have you avoided, or ended, relationships with others due to disagreements or difference of views?

Explain what Paul means by “Strong” and “Weak.”

What does it mean when Paul instructs us to “accept the weak?”

How can we adjust our lives in order to have a relationship with someone who is culturally different?

When asked the previous question, who popped into your mind?

What feelings did you feel in that moment? What might God be inviting you to do?

How might it benefit yourself and that person that God has placed on your heart in the long run?

In what ways has Jesus accepted you?

Did He do so because you deserved it?

In what ways can you adjust your life to make space for someone different than you?
