Week 23: Acts 19:21-20:6

## The Way of The Way

### BIG IDEA:

In Ephesus, Paul and the early disciples changed the economic landscape of the whole city by presenting a new way of living. They were called 'The Way' because the Christian life was a way of living that encompassed all of life: love, forgiveness, and worship. Today, we too are called into The Way, following God's example of what He has already done, empowered by the Holy Spirit.

### DISCUSSION QUESTIONS:

- What are our modern idols that we (us or others) worship?
- How does the reality of Jesus call people to come out of idolatry?
- Could that have an economic impact on our city?
  
- Why is it that when we find ourselves invested in Jesus, and with a greater understanding of the Gospel, our lives will be radically challenged?
- In what ways are can we be FOR Jesus instead of simply being AGAINST other things?
  
- Have you ever become desensitized to sin?
- Are you doing some things that you once hated?
- In what ways are you similar and in what ways are you distinguishable from our culture?
  
- What is 'The Way' that we see the early church go by?
- How can the way of 'The Way' change the world as a result of the Gospel today?
  
- What does it look like for you, personally, to walk in The Way?
- Explain how you think we should be living, and why?
  
- What is God's example?
- What needs to change in your life if you were to follow the Way of God's example?
- Who are you called to be?
