Week 33: Acts 25:1-12 Dusting for God's Fingerprints

BIG IDEA:

The apostle Paul knew God's plan for him to eventually go to Rome to be a witness. He also knew that suffering was in his path. Paul doesn't give up on his attempts to improve his situation, but he is able to celebrate along the way as he sees God's hand moving him in the direction of His will.

DISCUSSION QUESTIONS:

It seems easier for us to see God's hand at work when He's "blessing us" with good health, fat wallets, full refrigerators, loyal friends and fulfilling careers. But what if all of those blessings disappeared, and we found ourselves separated from family and friends, unjustly imprisoned, and relentlessly pursued by people who wanted us dead?

Would you think that God had abandoned you, or would you still be able to see His fingerprints on your life?

When have you most clearly seen God's "fingerprints" in your life?

What situation have you found yourself in, where it seemed that God was not doing anything? Did you ever discover His workings afterward?

From the following Scripture verses, what do you learn about God that can train you to better see His fingerprints in your life situations?

From Hebrews 13:5,6 and Romans 8:35-39, what do you see that God is NOT doing in your circumstance?

From Romans 8:34 and Hebrews 7:25, what is Jesus able to do, and what is He always doing?

From Philippians 1:6, what do you see that God will always be doing in your circumstance?
