04: Jonah

INTRODUCTION

The book of Jonah brings all of us under the conviction that we love the things that God has given us (homes, cars, hobbies, health, friends, etc.) more than the great city we live in. There are spiritually blind people whom we pass every day and ignore because our minds are consumed with ourselves. The question that Jonah leaves us to ponder is who would we be if God simply left us to ourselves and stopped running after us? If Jesus had not come, died, and risen after 3 days, where would we be? Lost and alone. If we don't make this personal, we will miss the point of Jonah: that we are Jonah.

DISCUSSION

Before Sunday's message, what did you think the miracle was in the book of Jonah?

What do you think the miracle is now? (How many miracles can you name from the book)?

EXPLANATION

Has God ever subverted your opinion about who He is or how He works? How?

How would you explain who God is to someone who has no idea?

APPLICATION – READ JONAH 4:1-3

What things in your life are you more concerned about than God's glory?

Have you ever been irritated at God's grace given to someone?

How can you celebrate salvation for those whom you do not have a tender heart towards?

MISSION

Is there anyone that you would rather see lost than saved?

Is there any place in your life that God is calling you to go and you have been avoiding?
