JESUS CHANGED THE WORLD

John 21:25 Now there are also many other things that Jesus did. Were every one of them to be written, I suppose that the world itself could not contain the books that would be written.

OVERVIEW

Jerislav Pelikan wrote *“Regardless of what anyone may personally think or believe about Him, Jesus of Nazareth has been the dominant figure in the history of western culture for almost 20 centuries. If it were possible, with some sort of super-magnet, to pull up out of that history every scrap of metal bearing at least a trace of His name, how much would be left?”*

JESUS CHANGED THE WORLD DISCUSSION QUESTIONS

DISCUSSION

Look up the definition for the word “epiphany.” Have you ever had an epiphany? If so, share it.

EXPLANATION

Read Colossians 3:11-13
How does Jesus’ vision of family conflict with our cultures view of family?
How is Jesus’ vision of family and the church more compelling than any other vision if lived rightly?

APPLICATION

Name some of the differences you can think of that Jesus’ church has made in the world.
What things do you look at and see, in your own life, the imprint of God upon?
Think of things in our world today. What positive things are there because Jesus lived?

MISSION

How can we still be bringing about good because of what Jesus did?
How have you forgotten all that Jesus inspired?
When we forget, does it change how we live?
How can remembering change how you live for the better?
