Love people as God has loved

The most liberating thing you will ever learn is that you NEED God, and were made to enjoy God.

How does the world know we are his disciples?
By our love for each other.

Pray to the Father, and He will answer

- Fruitfulness
- Obedience
- The sin in us
- Love for each other
- Friendship
- Salvation
- Opportunities for service

If we were abiding...
Fruit, salvation and life will explode.
