# JOEL

Prophesied 9th Century BC (Around 835BC)

Spoke most likely during the reign of Josiah.

Joel's book gives the most sci-fi like details in all of Scripture about the day of the Lord—days cloaked in darkness, armies that conquer like consuming fire, grubs and grasshoppers that invade homes, ravaging locusts that transform into armies and destroy the nation's crops, and the moon turning to blood..

## DISCUSSION QUESTION:

Are plagues always a judgment of God? Why do you think God is more interested in a Heart change than He is in a behavioral or outward change in His people?
