# ZEPHANIAH

Prophesied 7th Century BC (during the reign of Josiah 640-609BC)

His Father is Cushi

His grandfather was Gedaliah

His great grandfather was Amariah

His great great grandfather was Hezekiah.

He is the only prophet to list his royal lineage.

Zephaniah mentions the "Day of the Lord" more than any other Old Testament book.

His prophecy shouted out for godliness and purity in a nation sinful to its core.

Who are the most unlikely people you think would ever show up to a church service.

## DISCUSSION QUESTION:

How could you begin to see, treat, and welcome others like Christ, instead of like a Pharisee?

How have you become complacent in welcoming others in how you live for Christ?
