ZECHARIAH

Prophesied 6th Century BC (after the 70 years exile of Israel)
Zechariah's grandfather was the priest Iddo.

Zechariah's message was encouraging in helping the Israelites rebuild their temple.

Zechariah's visions take place October–November 520 BC, February 15, 519 BC, and December 7, 518 BC.

Zechariah pictures Christ in His first coming and His second coming.

DISCUSSION QUESTION:

Think/Talk about all the ways Satan is portrayed in our world. When we see him as an accuser or prosecutor, how can focusing on the Gospel get rid of our guilt and shame and teach us to live in new life instead?
