NAHUM

Prophesied 7th Century BC (during the height of Assyrian power).

Nahum comes from the town of Elkosh.

Nahum prophesied during the reign of Manasseh, one of the most evil kings to rule Israel, before his conversion.

The nation of Judah would have taken hope in the idea that Nineveh, their primary oppressor for generations, would soon come under judgment from God.

DISCUSSION QUESTION:

Talk about those in your life who you would say have "beautiful feet," who brings (or have brought) good news to your life? What was that news and does it differ from THE good news as found in the Gospel? What is the difference between judgment and wrath?
