HABAKKUK

Prophesied 7th – 6th Century BC (most likely 605-598 BC).

Prophesied when Babylon was the undisputed world power.

He is one of the few that calls himself a “prophet.”

Habakkuk pictures a frustrated prophet who channeled his frustration into prayers and eventually praise to God, rather than trying to run from the Lord.

DISCUSSION QUESTION:

What things do you have questions about now and would like to fast forward a few years to see how they work out?
How has God been faithful in your life?
What things are you still waiting to see what He will do?
