Ephesians 6:10-12

Ephesians 6:17

Philippians 3:21

“Christian faith does not offer us a peaceful way to come to terms with death. No, it offers instead a way to overcome death. Christ stands for Life, and his resurrection should give convincing proof that God is not satisfied with any ‘cycle of life’ that ends in death. He will go to any extent- He DID go to any extent- to break that cycle.”
